Received and mutually agreed by the shipper and his assigns and any additional party with an interest to any said property hereto and each carrier of all or any of said property over all or any portion of said route to destination, that every service to be performed hereunder shall be subject to the National Motor Freight classifications (NMF 100 Series) including the Rules, packaging and the Uniform Bill of Lading Terms and Conditions, the applicable regulations of the US Department of Transportation (DOT), the ATA Hazardous Materials Rules Guide Book and the Household Goods Mileage Guides and to the Carriers tariffs, the Carriers pricing schedules, terms, conditions and rules maintained at Carriers general offices all of which are in effect as of the date of issue of this Bill of Lading. Shipper certifies that the consigned merchandise is properly weighed, classified, described, packaged, marked, labeled, destined as indicated, in apparent good order except as noted (contents and conditions of contents of packages unknown), and in proper condition for transportation according to the DOT.
